Dear Ms. Nair,

We would very much appreciate if the Womanifesto can make the necessary arrangements to organize an artistic project on the theme of Procreation/ Postcreation as described in the concept paper we discussed. The project will start from December 1, 2002 to November 31, 2003.

The Foundation will be pleased to cover expenses for administration, publication, distribution, book announcement and other related expenses, provided that the total sum of all expenses does not exceed US\$8,250. Please provide the complete bank information e.g. bank name, bank address, swift code, account name and account number.

Please submit a report and expense statement to Ms. Busaba Tejagupta, our Grant Administrator, itemizing the expenses incurred not later than January 31, 2004. Original receipts for any expense items of \$25 equivalent or more must be submitted along with the expense report. If you have any questions, please do not hesitate to contact her at the address and numbers shown below or e-mail her at busaba@rockfound.or.th.

Please sign and return to Ms. Busaba Tejagupta the enclosed copy of this letter, indicating your agreement to the terms described in this letter. Once you have signed and returned the enclosed copy of this letter, we will forward the first installment of 1/3 of the total amount (\$2,750.00) as an advance against expenses.

Sincerely yours,
